# *Congratulations*

You have found your perfect partner, now Bodysgallen Hall offers the perfect venue to fulfill your dreams for your special day.

Approached by a long winding drive passing through woodland and meadows, Bodysgallen is set in an idyllic spot offering enchantment and romance, commanding the hillside while enjoying stunning views towards Snowdonia and medieval Conwy.

It is a haven of peace and tranquility – a photographer's dream and yours – to capture those memorable moments of your day against a romantic backdrop of the rose garden, rockery with water cascade, the archway into the walled flower garden or the many follies.

*Romance for All Seasons*

# The Planning

We believe that the planning of your wedding should not be stressful, rather an enjoyable experience where your dream day becomes reality. With our experience, we can help you at every stage of the planning process, allowing you to enjoy the excitement and anticipation of this special occasion.

Bodysgallen Hall has been recognized internationally as a world class hotel and 'Leading Wales' Hotel' – let us take care of you.

# The Ceremony

The 17th Century manor house at Bodysgallen was once a family home. While setting the scene in luxury country house style, it has retained that magical personal touch and attention to detail that makes it an idyllic place to celebrate your Marriage or Civil Partnership, and a perfect place for you to share your joy with your family and friends.

The Upper Wynn Room, with its exposed beams and apex ceiling, is a tranquil setting to take your vows and is licensed for the Ceremony. It can host up to 55 people and is just a few steps from the main Hall.

The Reception can follow in the first floor Drawing Room, with its oak panelling, historic fireplaces and views over the gardens or in warmer weather on the grass sun terrace with views to Conwy Valley.

# *The Celebration*

Your Wedding Breakfast can be held in one of our two Dining Rooms, with views over the gardens and to Conwy Castle and Snowdonia.

We can give you advice on menus, wines from our highly commended wine list and entertainment to suit your personal choice and your budget. Our Chef will design a menu using fresh local produce, taking account of any special dietary requirements. We aim to delight and pride ourselves on innovative cuisine, impeccable service and attention to the last detail.

Your guests will enjoy the day as much as you do.

# *Time Together*

There is nowhere more romantic than Bodysgallen – it is timeless, peaceful, sumptuous – all you could want and more besides.

The bedrooms are all skillfully decorated in an elegant country house style and furnished for comfort and charm, enjoying wonderful views over the gardens, woodland and meadows. The finest white Egyptian cotton bed linen, fluffy towels and robes, and slippers are all provided to make you feel gorgeous.

The 15 delightful rooms in the main Hall include four suites and two romantic four-poster bedrooms. In addition, there are 16 charming Welsh stone cottages nestling in the gardens, offering a greater degree of privacy and some having their own private garden. They have enchanting names, such as Pineapple Lodge, Gingerbread House, Bailiff's Cottage.
